

BLINK TOTALCARE TWIN PACK

BLINK TotalCare Twin-Pack

PZN: 16401445

Inhalt: 1 P

Hersteller: AMO Germany GmbH

Zweckbestimmung

polyhexamethylene biguanide 0.0005% (PHMB; disinfectant/preservative) hydroxyethyl cellulose (conditioning and viscosity building agent) sodium phosphate dibasic heptahydrate (buffer; commonly used in pharmaceutical formulations, ideal for maintaining solutions in a neutral pH range) sodium chloride (tonicity agent) polyhexamethylene biguanide 0.0001% (PHMB, disinfectant/preservative) hydroxypropyl methylcellulose (lubricant) tyloxapol (surfactant) edetate sodium (chelating agent) tromethamine (buffer) sodium chloride (tonicity agent) purified water (vehicle)

Zusammensetzung

polyhexamethylene biguanide 0.0005% (PHMB; disinfectant/preservative) hydroxyethyl cellulose (conditioning and viscosity building agent) sodium phosphate dibasic heptahydrate (buffer; commonly used in pharmaceutical formulations, ideal for maintaining solutions in a neutral pH range) sodium chloride (tonicity agent) polyhexamethylene biguanide 0.0001% (PHMB, disinfectant/preservative) hydroxypropyl methylcellulose (lubricant) tyloxapol (surfactant) edetate sodium (chelating agent) tromethamine (buffer) sodium chloride (tonicity agent) purified water (vehicle)
