INJURIES IN SPORTS**

**IMPROVES BLOOD
CIRCULATION IN MUSCLES
AND JOINTS**

TESTED WITH PROFESSIONAL ATHLETES

A study demonstrated that SATIMED APRÈSPORT™ products significantly reduced swelling and pain during the first week of recovery after trauma. To achieve the best result, use APRÈSPORT HEAT CREAM in combination with APRÈSPORT DEEP RELIEF ACTIVE GEL and APRÈSPORT COOLING CREAM.

NATURAL REMEDIES

The synergistic natural ratios of bioactive cannabinoids, terpenes, polyphenols, flavonoids, and other cofactors from medicinal plants are the essential base of SATIMED APRÈSPORT™ product formulations

EFFICIENCY

SATIMED APRÈSPORT™ products are highly efficient. Use a small amount of Cream (2-4 pumps per time) to achieve the best result without wasting too much of the product

SUSTAINABILITY

SATIMED APRÈSPORT™ products contain sustainably sourced natural ingredients produced from renewable raw materials and packed in recyclable packages
